The premium linens of Calvin's Liaison Collection are woven from the highest quality Belgian linen yarns available, by one of the most respected long-standing textile mills in America. You won't find these exclusive luxury fabrics anywhere else!

One of the exclusive premium linens from our landmark Liaison Collection, Rendezvous offers 100% Belgian linen polished to a pleasing sheen and soft hand in a stylized herringbone whose large scale and artful contours echo the natural geometry observed in ferns and other thin-leafed favorites. White undulates against deep brown in colorway Espresso.
