CAPE COD STRIPE

AUTUMN LEAF

A multi-tonal texture with a vertical effect, Cape Cod Stripe in Autumn Leaf's beauty lies in the simplicity of its grid-like appearance. Yarns of various gauges in tan and flax play off chunky yarns pigmented rust red and red-orange to establish the regimented structure and vertical effect of this residential upholstery cloth. A predominance of cotton yarn lends a dry hand and matte finish, while rayon yarns provide pinpoint bursts of light and color intensity throughout the piece.
