

# calvinfabrics®

**11317**

**BANDON**

**NIGHT STORM**

Glistening strands of tan rayon show prominently against an espresso-toned chenille background Bandon in Night Storm, a textural chenille appropriate for residential use. Tri-color composition results in a smart horizontal stripe, while substantially gauged cotton warp yarns span the face of the fabric to establish the distinct surface texture of this item.

<b>WIDTH:</b>	58"
