SEVILLE

POMEGRANATE

A low profile architectural chenille, Seville offers a pleasing hand and neat grid-like appearance for residential upholstery application. The characteristic glisten of rayon is more a staple than an accent in this highly textural fabric. Soft matte chenille in espresso alternates with tightly spun rayon boucle in French vanilla against thick gauge cotton warp yarns in black to create a variegation of both color and sheen in Chocolate.

WIDTH: 56"
CONTENT: 53% RAYON 47% COTTON
FINISH: ACRYLIC-BACKED
COUNTRY: USA
