**11364**

**TRINIDAD**

**CARIBBEAN SEA**

Cornflower blue and slate grey meld with charcoal to create Trinidad's Caribbean Sea. This rich, textural upholstery cloth is ideal for tight applications and mid-century pieces. Vivid colors in a stylish combination enhance the aesthetic appeal of this fabric, while lustrous yarns in varying gauges lend a striking visual impact and overall glow. Durable and economical, with a pleasing hand, this fabric is well suited for residential or general contract applications.
