ESPLANADE

AQUA SPRING

Esplanade offers a fashionable appearance in a durable upholstery fabric with an irresistibly soft hand for residential or contract use. Fluffy bands of aqua chenille are offset by a sleek multi-tonal ottoman weave to create a handsome horizontal striped effect. The sandy ottoman stripe is comprised of a multitude of subtly nuanced tans and browns offering a pleasing contrast to the single toned frosted teal chenille for which Esplanade in Aqua Spring takes its name.
