ESPLANADE

SEDONA RED

Esplanade offers a fashionable appearance in a durable upholstery fabric with an irresistibly soft hand for residential or contract use. Fluffy bands of persimmon chenille are offset by a sleek multi-tonal ottoman weave to create a handsome horizontal striped effect. The sandy ottoman stripe is comprised of a multitude of subtly nuanced tans and browns offering a pleasing contrast to the red chenille for which Esplanade in Sedona Red takes its name.

WIDTH:	58"
