The premium linens of Calvin's Liaison Collection are woven from the highest quality Belgian linen yarns available, by one of the most respected long-standing textile mills in America. You won't find these exclusive luxury fabrics anywhere else!

Silk noil and premium linen combine to stunning tactile and visual effect in Affinity, one of Calvin's groundbreaking Liaison Collection textiles, the first fabrics we've offered that are woven in America on linen warps. In Sugar & Spice, yarns speckled with rich earth tones provide a textural complexity and visual interest to wide alternating bands of cream and tan tonal stripes detailed with scalloped edging. The silk noil bears a resemblance to raw silk and establishes both the soft hand and characteristic speckling of the large-scale stripe. With a horizontal repeat of 15 1/4", Affinity is well suited to residential application.
