**BAJADA**

**WHITE SAND**

A contract-rated interpretation of an early AH favorite, U.S. woven Bajada replicates the popular parallel rivulet design of Patina Texture in a smaller scale. With the same luxurious sheen and sleek profile of its predecessor, but closer spacing that facilitates denser construction and smoother hand, Bajada in White Sand introduces an elegant cream colored upholstery fabric for both residential and contract use.

**WIDTH:** 58"  
**CONTENT:** 53% POLYESTER 47% RAYON  
**FINISH:** LATEX-BACKED
